## *River Hut, Live by the torrents*

Tired of 'googling' offbeat travel destinations? Well, you no longer have to. The Valley of Silence has a special place for you right here. Silent Valley National Park invites you to experience a special night on the banks of River Bhavani. We are providing a facility to nature lovers for overnight stay in the fringes of Silent Valley National Park. The 'River Hut Package at Mukkali' gives you the opportunity to spend a night in the scenic location along River Bhavani. The tranquility of the place is broken only by the gushing water of Bhavani and the chirping of your feathered friends, of course with an occasional elephant trumpeting. Take a stroll along the River and feel the ancient waters for yourself. Take the jungle memories with you and celebrate your least carbon footprint day!

Once destroyed, nature's beauty cannot be repurchased at any price.
